

## PRESIDENT'S MESSAGE

On your mark, get set, GO! JGMS fall events are in full swing. With the amount of participation from JGMS members, there was no doubting the success of our annual rock show. The last minute switch in dates did create a flurry of activity, but over all we pulled it off. Congratulations to everyone for a job well done.

What do we have to look forward to? JGMS Fall Picnic is Saturday Oct 11 at Lake Fretwell at the Cecil Commerce Center from 10 to 3:30. The Jacksonville Fair is from Oct 29 through Nov 9, but the set up date is Oct 25. We will be moving the display cases from the work shop to the fair grounds on Saturday Oct 25 at 7am. The entry time for displays and the Jewelry contest will be from 9 to 1 on the 25th. The JGMS Annual Voice Auction will be the program for the November meeting. I want to thank all those that have donated items to the auction. We are still short about 10 out of the 15 items we were counting on. I encourage (beg) all the board and committee members to donate one special item to the auction and make this another successful event. We will also be discussing and hopefully voting on the proposed By-laws and Articles of incorporation. See the list of changes in this news letter. The annual Christmas Party will be on Dec 6th at 6pm at the Riverside Avenue Christian Church. Bring a covered dish and a door prize for swapping. We always have a wonderful time and I look forward to seeing you there.

We've had a bit of excitement at the work shop as we usually do this time of year. Classes are in full swing and the rush is on to create or finish those special gifts. I was at the work shop the other day and the elves were all lined up busy faceting, what a sight! There are some special classes coming up and you don't want to miss the chance to get in on them.

This is also the time of year when field trips move closer south. So be sure to hook up with your fellow members and get out there and find some treasures together and share the experience.

The yearly JGMS Elections will be at the December meeting. Nominations are being presented now. Aren't you interested in giving back to an organization that does so much for you? You would be surprised how much a hand full of people have done and how much more could be done with your help and expertise. Simply talk to anyone on the board or committee members and you could be in the running to assume the position that will best help and further our society. I'm counting on you!

Respectfully, Jason Hamilton

## EDITORS PEBBLES

Sorry for the late distribution of this newsletter. I was on vacation..

Because of the inclusion of the proposed changes to the by-laws and articles of incorporation, I have had to forgo inclusion of a Mineral of the Month. This feature will resume next month.

Also, wanted to include some pictures from the show, but space dictated that they will have to be seen on our web site. They are in color there so go take a look.

Finally, I am begging for someone to take over providing me with material for the Mineral of the Month. David Tuttle provided this material for a long time. He is sorely missed!

## SOCIAL CONCERNS

### In Memory of Fred Edward Joelner, Jr. (1931 – 2008)

Fred Edward Joelner, Jr. passed away Sept. 15<sup>th</sup> following a lengthy illness. Born in Casper Wyoming, he moved to Orange Park in 1984. Mr. Joelner served his country in the U. S. Army, and was a Blue Lodge Mason. He was a long term member of JGMS, and firmly believed that no motion should pass with a unanimous yes vote. Fred always voted NO!

He was preceded in death by his wife, Wilma Joelner. He is survived by three children: Eric, Keith, and Elizabeth; 9 grandchildren, and 3 great grandchildren. The family requests that memorials be sent to the Clay County Humane Society, or the American Cancer Society.

### WHAT A SHOW! – Thank you Tom Frame et. Al. Color pictures of the show can be seen on our website

### Show Demonstration Report

By Ed Price

I am pleased to announce the demonstrations given at the JGMS show were a success for all involved. The following is a list of club members that volunteered their time and talents for the show goes.

1. Linda Price gave 2 demonstrations. One was on chain making and the other was on ornamental hair pieces.
2. Dr. Mike Reynolds also gave 2 talks on meteorites and what's new in space related material. Both were very well received by all that went to the programs.
3. Jeff Bee did a demo on cab making and the use of the cabling machine.
4. Jason Hamilton gave a demo on silver bezel cab work with a torch.
5. Cheryl Ashley gave 2 demos. One on glass bead making. Her lamp work beads are very beautiful. The second demo was on a peyote stitch piece.
6. Bobbie Brown gave a demo on wire wrapping.

You may also view photos of the instructors and patrons of the JGMS show on the web site. Also, if someone is interested in giving a demonstration at the show or fair, then please contact your demonstration chairperson.

In closing, I would like to thank all the people that helped make the demonstrations at the show a positive public impact.

Thanks, Ed Price

**DMC Program of the SFMS Field Trip Committee**  
**An Official Field Trip of the Mississippi Gem and Mineral Society (Jackson, MS.) HOST**  
**An Official Field Trip of the Jacksonville Gem and Mineral Society**

**8:30 AM CST, Saturday, October 25, 2008**  
**Bayou Pierre River near Utica, Mississippi**

Mississippi Gem and Mineral Society will be hosting a trip to the Bayou Pierre River near Utica, MS. You will find beautiful agates, some petrified wood, jasper and chert fossils. At one time, palm wood was plentiful at this site, and some is still found by a few people on almost every trip. Children are welcome, and pets on leashes. There are some areas you would need to be careful of your children in.

Directions: We will meet at 8:00 a.m. at Hubbard's Truck Stop on Highway slightly south of Utica. You can take Highway 18 from I-20 in Jackson, going toward Raymond. You will pass the turnoff for Raymond, and the turnoff for Utica, shortly thereafter, you will see Hubbard Truck stop on your left, at the intersection of Hwy 18 and MS 27. There is a nice restaurant at the truck stop for those who would like to eat breakfast. It is approximately 30 miles from Jackson to Utica.

Other Essentials: You should bring food, drink and water, there are no stores nearby. We usually all pitch together with a lunch under the trees. You can use a beaver stick (rock stick), and you will need sturdy shoes you can wade in, and bags or buckets you can put your rocks in. Bring sunscreen, hat, and dress according to weather reports; just remember it will probably heat up a little as the morning progresses.

Accommodations: I would suggest motels in Clinton and Pearl MS, which is very near the exit for Hwy 18. West Jackson is a high crime area, so be leery of motels in that area.

Contact: If you have any questions, please contact Janie Hand, 601-825-3989, or [RockNGranny49@aol.com](mailto:RockNGranny49@aol.com) We will have a general meeting Friday night before the field trip and you are invited. If you are interested in attending, contact myself at the address above, or Betty James at 601-914-6747 or [mineralid@comcast.net](mailto:mineralid@comcast.net)

DMC Program / SFMS Field Trip committee's purpose:

To collect field trip information from it's member societies; schedule and coordinate field trip dates; disseminate field trip information to all member clubs so that each member society may publish this information as one of their "official" scheduled field trips.

## An Official Field Trip of Jacksonville Gem and Mineral Society

Friday October 31, 2008

12:00pm-3:00pm CST

Clio, Alabama

Fee Site

The petrified wood found here is mainly for display specimens. Most have druzy quartz crystals and while similar to the wood from Brilliant are still different. Some pieces may be found that can be polished, but generally the petrified wood is specimen grade.

**Fee:** There is no charge to visit this site but there is a **\$.25 (cents) per pound** fee for the material you wish to take with you. We have been asked to pay with a check, so please bring your checkbook.

**When:** Friday, October 31, 2008. We will meet at 1:00pm EST (our time) or 12:00 pm CST (Alabama time).

**Where:** We will meet just east of State Road 51 on the North side of State Road 10 at an open parking area on the side of an old brick building. You can not miss the building. It has wood headers between the rows of bricks on a couple of the lower layers. From there we will caravan together to the site, which is just a short distance east of town.

**Collecting:** Petrified wood has been cleared from the horse farm and has been dumped in a small area under some trees. Cars can be parked very close to the site so there is very little walking making this very easy for children. Keep in mind they will have to be in close proximity of their parents at all times. All wood must be weighed and paid for before loading into vehicles!!!

**What to bring:** Bring buckets and crack hammers. Keep in mind that some of the pieces are very large. You will not be able to lift them. You might want to bring a sledge hammer for larger pieces or a crack hammer and a chisel if you just want small pieces. Newspaper is always a good idea to wrap especially nice or small pieces. You shouldn't need a shovel but some pieces may be buried, and some tools may be necessary to extract them. Bug spray and drinks are always a good idea.

**Directions:** Take I-10 approximately 232 miles to exit #130 which is US Highway 231 N (west of Marianna). Take US 231 N to and around Dothan (bypass), go through Ozark and into Rocky Head (community) (~68miles from I-10). Take AL 51 North (14 miles) to Clio. Bring a map!

***Please notify the field trip chair if you plan on attending!!***

**COLLECTING:** Rose quartz, tourmaline, beryl, mica books, & quartz crystal. The Rose Quartz will star if cut correctly, and some of the beryl can be gemmy Aquamarine.

**TIME:** Sign-in is from 8:30 to 9:30 at Smiths Corner Store – 1231 Bartley Road – LaGrange (gps 32 57.296'n 85 1.130'w) Dig is from 10:00 am – 4:00 pm. You will be required to sign a waiver of liability you must have a ticket before you can enter the mine site.

**FEE:** Adults - \$ 17.00 & children under 18 are free. (Regular fee is \$35.00)

**DIRECTIONS:** From Atlanta, take I-85 south to LaGrange. Get off on Hwy. 219 also Whitesville Road (Exit 13) and go south (left) about 2.2 miles from I-85. We will be meeting at Smith's Corner Store (The Citgo on the Left) at the intersection at Whitesville Rd. and Bartley Rd.

From Carrollton, take Hwy 27 S. (past Wal-Mart). Go thru Franklin to LaGrange. Just stay straight and Hwy 27 dumps into Hwy 219. Take Hwy 219 south and cross I-85.

Allow 1 hour & 15 min from Atlanta at I-285 and I-85 connection on the South side.

**WHAT TO BRING:** Pick, shovel, rock hammer, chisels, scratching tools, screen, buckets, gloves, and of course plenty of water. We have been lucky and had beautiful weather in November, but extra clothes and boots might be useful if it's muddy or the weather turns.

**GENERAL INFORMATION:** There is a Port-a- Potty on site. Pets are welcome if on a leash. There will be a hospitality booth with hot coffee and water. Delicious BBQ plates will be for sale. There will be an area for "Rock Swap and Shop" with vendors. If you forget something, please check at Smith's Corner Store – they have supplies, snacks, drinks, etc

**WHERE TO STAY:** Nearby LaGrange, GA offers many hotel choices. Camper type vehicles can stay at the store free of charge but there are no hook-ups.. People that want to sleep in cars are welcome in the parking lot as well. Tent campers can make prior arrangements to camp for \$9 per night at the site for primitive camping. Local state parks offer a full range of camping options.
